

GOOD FAITH DEPOSIT for TRAVEL SERVICES

Our Agency requires a Good Faith Deposit from prospective clients. We, as Agents, are providing a service and are offering our travel expertise to ensure you get the best travel arrangements. After our initial discussion and you agree to work with me, my Agency charges a good faith deposit to initiate the process.

Our Deposit structure is as follows:

- (1) Booking Travel within the US – \$25**
- (2) Booking Travel within the Caribbean - \$50**
- (3) Booking Travel Overseas (All Countries) - \$75**
- (4) Group Travel - \$100**
- (5) Destination Weddings - \$150**

Once the research has begun and pricing is acquired, a proposal will be sent to you with an expiration date. You will have until this date to make a decision to book your package. If you book the quoted travel package, your deposit WILL be applied. If this date expires and you do not book, your Good Faith Deposit expires, and is **non-refundable**.

By signing below, you are in Agreement with the Terms above.
